1 / 2 mile past Hwy 141 is the exit for OLD 21, take that to your right.

Then, turn right on the 1st road coming from your right.

It is the outer road for OLD 21(goes uphill).

Meramec Heights is on the right across from some dark brown apartments.

..... The gym is on the lowest level of the building. Come in front doors, go straight, make slight jog around the office and then veer right and continue until you see the steps going down to the left. Go down the steps, then take hallway until it makes a T. Take the right arm of the "T" and you will run into the gym.

St. Paul's Oakville 5508 Telegraph Rd. 63129

Major intersection Telegraph and Hwy 255, go 1 ½ miles south and church is on the left. Baumgartner intersects with Telegraph just a couple of blocks past the church.

Competitive Teams, Here's your new place

AB Abiding Savior Lutheran Church 4355 Butler Hill Road 63128
(by Hwy55 on Butler Hill)

The parking lot entrances are on Butler Hill and the church has one of those scrolling digital signs out by the road.

It's very easy to find, some of you may know that intersection because there is a Schnucks shopping center there. There are stop lights at the entrance to the shopping center and a Regions Bank at that intersection. Abiding Savior is directly behind the Regions Bank.
